This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

**Usage guidelines**

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

**About Google Book Search**

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

# RATES OF POSTAGES,

*Established by Act of Congress, passed March 3d,* 1825.

FOR A SINGLE LETTER COMPOSED OF ONE PIECE OF PAPER.

| | *Miles.* | *Cents.* |
|---|---|---|
| For any distance not exceeding - - - | 30 | 6 |
| Over 30 miles, and not exceeding - - | 80 | 10 |
| Over 80 do. and not exceeding - - | 150 | 12½ |
| Over 150 do. and not exceeding - - | 400 | 18¾ |
| Over 400 do. - - - - - | | 25 |

Double letters, or those composed of two pieces of paper, are charged with double those rates.

Triple letters, or those composed of three pieces of paper, are charged with triple those rates.

Letters composed of more than three pieces of paper, are charged with but triple postage, unless they weigh together one ounce avoirdupois, in which case they are charged with quadruple postage, and at the rate of quadruple postage for each ounce according to their weight; their contents of whatever articles they may be composed, are always included in the weight on which postage is charged; but no packet of letters conveyed by *water mails* shall be charged with more than quadruple postage, unless the same shall contain more than four distinct letters.

## NEWSPAPER POSTAGE.

| | *Cents.* |
|---|---|
| For each Newspaper carried not over 100 miles, - - | 1 |
| Over 100 miles, - - - - - - - | 1½ |
| But if carried to any office in the state in which it is printed, whatever the distance may be, the rate is - - - | 1 |

## PAMPHLET POSTAGE.

| | | | |
|---|---|---|---|
| Pamphlets published periodically, not exceeding 100 miles, - - - - | 1½ | *cents per sheet.* | |
| Over 100 miles, - - - - | 2½ | do. | do. |
| Pamphlets not published periodically, not exceeding 100 miles, - - - | 4 | do. | do. |
| Over 100 miles, - - - - | 6 | do. | do. |

Letters to Canada, can be forwarded through the agents of the United States at Kingston, Upper Canada, and Montreal, Lower Canada, whether the postages are paid or unpaid.

TABLE OF THE

# POST-OFFICE ESTABLISHMENT,

## FROM 1789 TO 1824, INCLUSIVE.

| Years. | No. of Post Offices | Amount of postages. *Dollars.* | Compensation to post masters. *Dollars.* | Incidental expenses. *Dollars.* | Transportation of the Mail. *Dollars.* | Nett Revenue. *Dollars.* | Extent in Miles, of Post-roads. |
|---|---|---|---|---|---|---|---|
| 1789 | 75 | | | | | | |
| 1790 | 75 | 37,935 | 8,198 | 1,861 | 22,081 | 5,795 | 1,875 |
